
OVP VENTURE PARTNERS Partner Biographies

July 2013

Bill Funcannon

Bill Funcannon joined OVP Venture Partners in 1989, first as Controller and then as Managing Director and Chief Financial Officer. In this role he reviews all financing documents, negotiates term sheets, structures deals and assists in the due diligence process. Bill is responsible for the firm's day-to-day administrative activities and all its financial and reporting functions. Bill also sits on the Boards of EnerG2 and RedSeal.

Prior to joining OVP, Bill spent eight years as Venture Fund Controller at Hambrecht & Quist, where he managed over \$700 million in assets. Prior to H&Q Bill was a Registered Representative with the brokerage firm of CD Anderson & Co.

Gerry Langelier

Gerry Langelier joined OVP Venture Partners in 1992 and focuses on investments in the digital energy, software, imaging and digital biology sectors. His investments include Captivate Network, Carbonflow, Elekom, EnerG2, Foundstone, Max-Viz, Now Software, Portland Software, Preview Systems, Surplus Software, TView, Unify, Vascular Solutions, Viral Logic Systems Technology (VLST), and Webridge. He currently serves on the Board of Directors of CradlePoint, DataSphere, EnerG2, PrecisionDemand and Serus.

Prior to joining OVP, Gerry was co-founder of Mentor Graphics Corporation (NASDAQ: MENT) in Portland, OR in 1981. There he served as President, and over eleven years helped lead Mentor through its IPO to over \$400M in worldwide sales and over \$1B in market capitalization. He began his technology career at Tektronix.

Gerry received his AB in Chemistry from Cornell University and his MBA from Harvard University.

*Gerry is the author of **Take the Money and Run! An Insider's Guide to Venture Capital** (Smashwords.com & Lulu Press, 2011) as well as **The Vision Trap** (Harvard Business Review, 3/92). They can be ordered at www.langelier.com. He also authored a chapter in **Venture Capital Best Practices** (Aspatore Books, 2005) and **Great Patents** (Logos Books, 2011).*

He is the father of two boys, and enjoys skiing (when his knees can stand it) and golf.

Chad Waite

Chad Waite joined OVP Venture Partners in 1987 and focuses on investments in the digital biology, and network security sectors. His investments include 4thPass, Accelerator, Adapx, Airgo Networks, Boston Beer, Cardima, CellPro, Complete Genomics, Corixa, Filenet, GenoLogics, Limerick BioPharma, Loudeye Technologies, NanoString, Napera Networks, ProTools, Quantum Medical, Raytel Medical, Returns Online, Rosetta Inpharmatics, SafeHarbor, Saros, Seattle Genetics, SignalSoft, Syntellect, Vantos, Verdezyne, Verity, and WatchGuard. He currently serves on the Board of Directors of Accelerator, Adapx, Aggregate Knowledge, NanoString (NSTG), Symform, Talyst, The W Fund and Verdezyne.

Prior to joining OVP, Chad was a General Partner at Hambrecht & Quist Venture Partners where he focused on investments in IT and life sciences. Prior to H&Q, he was in marketing and sales management at Cobe Laboratories, Inc. in its cardiovascular medical products division.

Chad received his BA in History from Kenyon College and his MBA from Harvard Business School. He is a Trustee at Kenyon College and has also served as a board member of the NVCA. He is the proud father of three grown children, is an avid cyclist and snowboarder, and loves fine wine.
